19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

202 responses

20. The overall quality of teaching-learning process in your institute is very good.

202 responses

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

Teaching is good please change the college timing

Its best in providing education

Explain in all three Languages Marathi, kannada & English

Should be improve their teaching while giving the notes

Student placement should happen, give employment opportunity, and improve modern education system

"*play ground is not allowed for everyone

*Sports are not conduct in this whole academic year"

Overall teaching process is good but teaching in little bit of mother tongue is much more effective on students I think 😊

Provide the wiFi connection

To improve the college time because of some students having problem of bus issues 😞

To improve the cleanliness of toilets

Giving necessary information , giving notes

Please see students problems too and teach in English encourage students ..show them that what all opportunity they have in future

Nothing all is perfect ..must have some outing for students just for fun time also overall it's very well

"1. Regular classes in both kannada and english explanation..

2. Clear notes"

"1.Try to reach every student ask for their doubts

2.make teaching a two way interaction"

"More Explanation in studies

Timing must be punctual

"Kindly give more project and real time problem to solve. ...

Courses can be more research oriented. ...

New technology monthly updates can be given."

Take all class time to time

Conduct workshops for students to prepare for competitive exams

Class wise test can be beneficial

"1) Lecturers should take surprise tests

2) Lecture should strictly check notes

3) Be friendly nature while teaching

Digital fluency and physical education classes should not be compulsory for everyone..

Teacher should teach thoroughly and it should be understanding

Explain more ,

LCD projector.....

"Need to teach in Kannada Language.And while Giving examples also.

"1. They should conduct more activities.

2. They should take us to some professional industries.

3. They should give us task so that we will learn from those."

Some staff need to come in time for class.

Some improvement are needed

1. Conduct more Activities to improve our knowledge.

"Improve more modern technology

Conduct more activities

"More co-circulation activities should be their.

Solving the question paper

Participating in various activities gives lot of experience and it makes student perfectly complete to next level work

teachers are look for overall personality development of each student

Everything will be okay apart from this one Improve toilet room

"1. Teaching time use kannage because of some time english language not understand.

2 Some teachers are not clearly teaching is subjects.

3 The teachers will guide studying matters also and some other activities to all . Thank you 😊"

"Suggestion -to see students are coming in college time or not.

"If they used to dictate while showing ppt it'll helpful to have proper notes with us

Also they should avoid to make us expenses while purchasing Xerox copy of notes

And they should go quite slow with syllabus"

"1 . Conduct debates, seminars and talks for the students

2. According with the studies Teacher should make the student to participate in different Co-curricular activities to improve the ability of learning of the students

3. Our syllabus should be designed in such a way it should match to the requirement of the market and not The same which is Continuing from past many years

"1. Use of participative learning and problem solving methodologies by teachers.

2. Teaching speed to be reduced."

I have a very beautiful campus ,good library and very good teaching, with teachers and all staff members

*Lunch timing only 10 minutes are given

Little improvement in teachers behaviour

"Need to use more of projectors for teaching

No suggestions every thing is good 😊❤️

No suggestions everything is fine

Be close with students

While showing ppt of any sub they must ditcet notes it will help for as

Insted of given Zerox they please give notes daily so our money will be save

Improve the teaching

Improve the teching and notass

Faculties to come on time

"1.If a student has adoubt in any subject,& if a student ask 50-80 times his doubts the teacher should be ready to help

2) Teachers should teach students in English language rather than kannada language as it is a English medium college."

Giving best quality of education at the maximum level some skill development courses can enhance the quality in more affective way

"Teck a cls time to time

Giving the notes

&some teaching in kannada language all so "

Good enough

Very good

All Teachers are good teaching

"Change the college time

Support the students

"1.Open digital library to be introduced.

2.Free study and reading material to be circulated.

3.Fee structure to be revised as per income criteria of candidates family. "

First they should Respect the Regional language.And have to know the Regional language compulsory.

Should use smart board for teaching.

"Available of more Library books

Study tour

More information about competitive world"

Yes they are good but need to improve still in technology

"To use digital method

Portion should be completed on time

"There is No cleanliness in campus,

There is no discipline in campus and colleges,

There is no solution for the problem in college. "

"Ask them to take a topic for self-learning.

Ask them to create a questionnaire from their syllabus.

Encourage them to ask questions."

"Must conduct weekend test and take assignment like debates and saminar in class for students.

Quality classes and explains about study and improve students skills

We have all facilities in our college we have good library and notes facility so we do not need any improvement

Change the college timing

Teaching is good but little bit improvements is necessary, learning experience is good

Faculty needs to come early, there should be industry visit, more improve in teaching

"Improvement in AV class.

"1 use the technology for best education

2 we need campus interview

3 stay with student friendly"

"1. Encourage students to ask questions.

2.Use better graphics & visual media.

3.More focus should be on activity."

Institute has followed top best steps for best teaching-learning process.

Free education

Improvement of compulsory attendance of students

To use digital learning

"Internet facility

Banking classes

"Personalized Guidance

Skills development

"We want free wifi from our clg for our studies

And washrooms are not clean at all

Teachers should interact with individual student"

"1. The teachers should teach us on smart boards

2. They should interact with each and every student "

"1.the washroom are not clean and light are not there in come building

2.we need WiFi for our study

3.we need teacher to communicate with student "

"The washroom are not clean and light are not there in come building

We need wifi for our study

We need teacher to communicate with students."

"1. Use more of projector

2. Clean the toilets"

"1) washrooms are not cleaned properly

2) we need wifi to study

3) teachers don't communicate with students more"

"1) washrooms are not cleaned properly

2) we need wifi to study

3) teachers dont communicate more with students"

"Personal attention

Detailed observation

Attendance"

1) while teaching use of ict tools like lcd projector multimedia etc.
