15.Multidisciplinary / interdisciplinary

Rani Parvati Devi College of Arts & Commerce, Belagavi, runs three undergraduate programmes namely, Bachelor of Arts, Bachelor of Commerce, Bachelor of Business Administration. The New Education Policy has provided an opportunity to the students of the programs to choose open elective subjects from other streams as a faculty is available being a multidiscipline institute. The sister institution managed by S.K.E. Society offers Undergraduate programs in Science and Computer Application which is an added advantage for the students to opt for science discipline open elective subjects.

16.Academic bank of credits (ABC):

Academic Bank of Credit offered to the undergraduate students under the New Education Policy is of great advantage to our students. Students can now opt for online courses which shall give them credits in the coming academic years.

17.Skill development:

The CBCS course curriculum initiated from the academic year 2020-21 has skill based component for B.Com program with a course titled practicals on skill development. Under the NEP the scope for skill development has increased with the introduction of compulsory Skill enhancement course in Digital fluency and Artificial intelligence. The students are being registered for the NASSCOM future skills Prime and Digital 101 courses. The affiliated University has conducted Hands on training workshop for the Digital fluency course for the faculty on 8th December 2021. Course papers in Sports & Yoga and also Health and Wellness have been introduced. A digital fluency course companion instructor guide has been developed by Prof. Venugopal Jalihal and Prof. Anand Patil of Belagavi for the benefits of the teachers and students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The introduction of Kannada language and Functional Kannada language in the curriculum for all undergraduate programs has been a step towards integration of Indian classical languages

along with other languages of the region like Marathi, Hindi and English.
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):
The institute has introduced CBCS program from the academic year 2020-21 and has opted for NEP program from 2021-22, is looking towards imparting outcome based education through more of application oriented teaching learning by the use of ICT enabled tools of teaching and learning. The faculty has been using google classroom platform for online teaching mode and use of dramatics, role play, seminars, field visits, study tours and competitions for experiential learning. The faculty has been sensitised to adopt the Blooms Taxonomy Methodology for an outcome based learning.
20.Distance education/online education:
The institute has on its campus IGNOU study centre since last 25 years which is a people's University and pioneer in distance education. The students of the institute have been taking advantage of the distance mode of education for academic progression and also for taking certificate programmes. Many faculty have also completed their Diploma, Degree, Post graduation programs from the study centre. The institute looks forward to initiate MOOCS and Swayam online courses in the near future for the benefit of the students.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The faculty members are advised to understand the curriculum thoroughly in the first meeting of the academic year by the Principal. Faculty prepares the course plan for the syllabus, topic wise and month wise within the semester framework. Faculties are provided Teachers' diaries to record daily class work. Departments maintain the records of their departmental work, like distribution of syllabus, timetable allotment and implementation of any other effective teaching methods i.e. self-financed value added courses, Certificate courses. For the academic development of the faculties, Faculty Development Programmes (FDPs) and workshops are conducted at regular intervals by the Institute. For the improvement of the teaching quality and upgradation of the faculties, Self-Appraisal assessment method through submission of self-appraisal is adopted. Faculty members are encouraged to use ICT methods so as to acquaint the faculty with modern teaching aids. Role play, poster making, seminars, experts' visits, projects, study tour,

field visits are the other teaching learning techniques used by the faculty to deliver the curriculum content, and to make learning effective. Other curricular aspects are implemented through different committees and associations like NCC, NSS, Youth Red Cross, Scouts and Guides and the like.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institution is guided by the Academic Calendar sent by the affiliating University. After the commencement of academic year, important aspects of the academic calendar are shared by the Principal with the staff members during the first meeting of the academic year. The IQAC meets to draw up the college calendar of events and activities within the University guidelines. The programmes of BA, BCom. and BBA conduct the first and second internal test in the 8th week and 12th week of every semester as per the University guidelines. The examination committee formed for the academic year is given the responsibility to conduct the internal tests. The tentative dates are given to the staff members, who are asked to set question papers of their respective subjects along with scheme of evaluation which is to be submitted to the examination committee on the said date. The tentative dates are also provided to the students through the prospectus given at the time of admission as well as during the Induction cum Orientation Programme. The marks of the internal examinations are displayed on the notice board for student reference within a fortnight post examination.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

An induction programme for new entrants is organised to provide a platform to initiate exploration of students hidden talents and untapped skills by providing scope for expressing themselves, which are noted by the course teachers.

Course specific teachers make an effort to locate advanced learners through class room activities like seminars, presentations and assignments. The advanced learners are mentored by providing them additional library borrowers ticket and text book loan facility to encourage learning appetite. Project works, study tours, state assembly session visits, academic fests are also a part of the additional activities initiated beyond curriculum learning for better experiential learning of advanced learners by the respective departments.

Slow learners are located based on the marks of the previous examination and interaction with the students. Slow learners are mentored throughout their degree program by monitoring their performance in each semester examination and remedial classes are conducted in subjects where guidance is required for the students.

Students are motivated to participate in activities conducted by the institution and are also deputed to participate in competitions such as mock parliament, seminars, workshops, elocution, essay competition, debates, quiz, academic fests involving business plan presentation competition.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The IQAC committee in consultation with the Principal, prepare a calendar of events for the academic year in which the probable dates of two internal assessment examination for the semesters is finalised based on the University directives of conducting the IA examinations.

Examination committees are formed for BA, B.Com, and BBA programmes which is entrusted with the responsibility and accountability of the conduct of IA examination, evaluation of papers by course teachers, IA marks display and submission of marks to University as per specified dates.

The IA examination question papers are set as per the model of the semester end examination with sections to familiarize the students with objective type questions and descriptive type questions as per University pattern.

The First internal assessment examination is conducted during the 8th week of the semester for 20 marks in 1 hour duration and the second internal assessment examination is conducted during the 12th week of the semester for 40 marks

The evaluated answer scripts of the IA examination are shown to students on specific days and time to clarify the students doubts regarding any discrepancies in evaluation.

Consolidated marks sheet of all subjects, is displayed on the Notice board for students reference.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Each department of the institution takes the responsibility of defining the programme outcomes and course outcomes and the same information is uploaded on the college website and displayed on the notice board. Every department prepares monthly teaching plan for every semester and the same is informed to the students during the class. Students are aware of the topics to be covered in the class well in advance. Since, various departments of the college are involved in training slow learners and advanced learners, the passing percentage of the students has regularly shown an increase. At the same time as the advanced learners

have received additional guidance about the topics, some of the advance learners have gotranks to the University and have also gone for higher education. Based on the course the students take up projects prescribed by the University and also the departmental projects, by this the research attitude among the students is nurtured. Some of the students are involved in student projects funded by the College. Regular field visits, study tours and industrial visits are also organised for on-site knowledge.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College Vision lays a strong emphasis on social responsibility, commitment and orientation towards the holistic development of students and faculty. The Institute believes and encourages students to engage in ethical and moral activities in order to contribute to society's social values and training them as responsible citizens of India. The volunteers of NSS, YRC and NCC cadets, participate voluntarily in community-based activities in the neighbourhood. Various extension activities like tree plantation, gender sensitization, empowerment of girls, blood donation camps, save historical heritage have been organised. As a part of Swachh Bharat Abhiyan the institute regularly promotes the students to participate voluntarily in maintaining the cleanliness in the campus and create awareness about the importance of clean environment on health and hygiene.

The Impact and sensitization:

Students become more socialized and responsible citizen with the help of these activities and they learn to think about social

issues. Students gain a variety of skills such as teamwork, leadership, time management, effective communication, and effective decision making by engaging in and organizing various programs as part of extension activities. The students are given an opportunity to socialize with one another while learning about people's culture, traditions and values.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Institute has created an environment for a gender sensitive society by integrating gender equality and inclusion in all aspects of education. Institute provides equal opportunities for both boys and girls without any gender discrimination in all the curricular, co-curricular and extracurricular activities. Sponsored scholarships beside others, are provided with institutional efforts to the needy and deserving girl students.

Institute has set up the Hobby Center to empower students, which also runs woman centric activities with a motto "Earn while you learn". The girl students are trained in employable skills such as tailoring, cooking healthy food, knitting, embroidery, pot painting, personal grooming.

The institution has two girls' hostels (one more being under construction) and one boys' hostel with separate wardens and 24/7 security system with CCTV Surveillance Systems as per Government instructions. For the convenience of the girls students sanitary pad incinerator has been installed in the common washroom and in the hostels.

As part of mentoring programme, the students are mentored by their respective mentors regularly. The college has Cell Against Sexual Harassment to address the problems of the girl students &

female staff members.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management:

Waste generated on the campus is segregated at the source. The college has supervisors to each blocks to ensure that the waste is collected and disposed regularly. A designated staff is assigned the responsibility of classroom waste management, they clean, collect, segregate and dispose the waste in the dustbins provided in each classroom and the dustbins are in turn emptied in the dumping yard. The City corporation garbage van collects the waste from the designated places regularly. There are separate plastic containers for organic waste, paper waste, metal waste, glass waste and plastic waste. Dust bins are also provided in classrooms, offices, rest rooms, staff rooms, hostels, library, play ground and other places on the campus to keep the campus clean.

As the campus has lot of deciduous trees, the biomass waste, like defoliated leaves, is collected and transferred to the vermin-compost pit situated on the campus for compost formation. The manure formed in the vermi-compost unit is used for all the gardens in the campus. The dried wood biomass of plants is collected and used for water heating in the hostels. Sanitary waste is properly disposed by burning in the Incinerator installed in ladies washrooms.
